Sub: Safety certificate pertaining to the school building

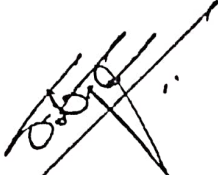

- Ref:
- 1) Resolution passed on 19-9-2020 in a meeting by the Chief Secretary, Primary and Secondary Educational Department, Government of Karnataka
 - 2) Letter dated 29-10-2020, bearing No. PWD/59/BED2019 of the Secretary, Public Works Department, Bangalore
 - 3) Letter of the institution dated 21-6-2021
 - 4) Letter dated 28-6-2021, bearing No. 290/2021-21, of Assistant Executive Engineer, Public Works Department, Davangere

With reference to the above Amrita Vidyalayam, # 1179/7, Nijalingappa layout, Davangere, has sought for safety certificate through their office Ref (3) for their school by conducting an inspection as per the rules lay down under National Building Code. As per Ref (1) in a meeting held on 19-9-2021 by Chief Secretary, Primary and Secondary Educational Department, Government of Karnataka it is ordered that the buildings, which are already constructed shall do structural evolution as per the rules lay down under National Building Code and obtain a safety certificate from the competent authority.

No. Of Corrections

On 25-6-2021, the Assistant Executive Engineer, Public Works Department, Divisional Office, Davangere had visited the school and conducted spot inspection of Amrita Vidyalayam, # 1179/7, Nijalingappa layout, Davangere, by verifying the building license and plans. The Assistant Executive Engineer, Public Works Department, Divisional Office, Davangere as per Ref (4) reported that the building has been constructed as per the norms of NBC 2016 and it is technically strong. Thus as per that report this building safety certificate is issued.
